Clean Team revisit Middlewich High school

Three members of the Middlewich Clean Team will be taking assemblies at the high school on Monday 22nd March and Tuesday 23rd March.

We will be reminding the pupils about the Clean Team and encouraging to set up their own Clean Team within the school. We are also hoping they will be joining in the assembly by producing a rap!!

We are hoping to support them in a sponsored litter pick later in the year.

Newton Bank is looking good!!

The Clean Team are very pleased that the work on Newton bank has now almost finished, after all the phone calls that have been made to various people concerned with the project.

The area is looking fantastic and when all the plants are in place it will add another splash of colour to Middlewich.

We are looking forward to the official opening of the project when we will all have another chance to celebrate.

Middlewich in Bloom Competition.

A number of the Middlewich Clean Team are part of a group helping to organise the Middlewich In Bloom Competition run by the Community Pride Group.

This is a brand new competition and we will be handing out entry forms to all the businesses in Middlewich to encourage them to enter.

We would also like anyone who lives in the Middlewich area and has a love of gardening to enter.

Entry forms are available from Chisholms Newsagent, the information center and the Library.

Cheshire Woman of the year award

Janet Chisholm, chairperson of the Middlewich Clean Team attended a dinner at Chester town hall on Wednesday 17th March to celebrate Cheshire Woman of the year.

She had a fantastic time and met lots of interesting and inspirational women.

The winner of the prize for this year was a lady who had set up a bank for breast milk, which can be used in the neonatal department of the Countess of Chester hospital. This project had taken her 5 years to complete.
